

ABOUT ENCORE

At Encore Dance and Musical Theatre School we offer the perfect introduction for 3-5 year olds to the performing arts. Our Studio is a bright and colourful venue and we provide a safe and caring environment for children to explore the elements of Jazz, Ballet, Song and Movement.

OUR AIM

The aims of our Kindy classes are to stimulate imagination, encourage self-esteem and to improve flexibility and co-ordination. We introduce the students to basic dance technique and familiarise them with concepts such as beat and rhythm. Songs with actions also offer a fun element to our Kindy sessions.

CLASSES

For many students, Kinderdance is one of their first experiences in a social, learning environment. Therefore it is not unusual for some children to be withdrawn or shy on their first lesson. Please allow the children a reasonable number of weeks to settle in and to gain confidence with us and to become familiar with the new surroundings.

Whilst we encourage parents to take an active role in the children's dance development we prefer that only the students stay in the studio for the lesson. Children of this age are easily distracted and this can make teaching very difficult. We have a television set up in our waiting room, which allows you to witness your child's participation in class each week.

PERFORMANCE

All Kinderdance students have the option of participating in our End of Year Mini Concert. Our Mini-Concert is a small low key performance especially for our youngest and inexperienced performers.

WHAT TO WEAR TO CLASS

With these very young ones any colour or style of outfit is acceptable – we want them to feel like little performers. They need to wear clothing that allows them to move freely. Little girls will love to look like a dancer in a pretty leotard, even a dance play tutu is fine. Please ensure long hair is tied back away from the face. For little boys trackpants, shorts or t.shirts or a character outfit are all fine. Footwear - Jazz shoes, ballet shoes, jiffies or similiar soft shoes are suitable.
