Child Safe Code of Conduct

Title	Content
Purpose	The purpose of this Code of Conduct is to establish clear expectations for appropriate behaviour by all individuals involved in the delivery of programs, services, or activities at Encore Dance. It aims to ensure the safety and wellbeing of all children and young people by outlining acceptable and unacceptable behaviours and by guiding adult interactions with children in a respectful, safe, and inclusive manner. This Code of Conduct aligns with the requirements of the Child and Youth Safe Organisations Act 2023 (Tas) and supports the implementation of the 10 Child Safe Standards.
Scope	This Code applies to all employees, contractors, teachers, student mentors, volunteers, and any other individuals engaged with Encore Dance in any capacity, whether in-person, online, or during off-site activities.
Our Commitment to Child Safety	At Encore Dance we commit to the safety and wellbeing of every child in our care. Please read our Statement of Commitment to Child Safety, which is available on our website and a physical copy is available at our front reception. Encore Dance ensures services and activities are inclusive of all children, including children with diverse needs and cultural backgrounds. We recognise and respect the cultural safety of Aboriginal children and young people. We are committed to aligning our policies and practices with Tasmanian child safety laws and the guidance of the Commissioner for Children and Young People Tasmania, making child safety a natural and essential part of everything we do.

Definitions of harm and abuse	General Definitions Child, Young Person or Student Anyone under the age of 18 in our studio community. Psychological abuse (also known as emotional abuse) This includes bullying, threatening and abusive language, intimidation, shaming and name calling, ignoring and isolating a child, and exposure to domestic and family violence. Physical abuse This includes physical punishment, such as pushing, shoving, punching, slapping and kicking, resulting in injury, burns, choking or bruising. Sexual abuse This includes the sexual touching of a child, grooming, and production, distribution or possession of child abuse material. Grooming This is a process where a person manipulates a child or group of children and sometimes those looking after them, including parents, carers, teachers and leaders. They do this to establish a position of 'trust' so they can then later sexually abuse the child. Misconduct This is inappropriate behaviour that may not be as severe as abuse but could indicate that abuse is occurring and would often be in breach of an organisation's Child Safe Code of Conduct. This could include showing a child something inappropriate on a phone, having inappropriate conversations with a child or an adult sitting with a child on their lap. Lack of appropriate care This includes not providing adequate and proper supervision, nourishment, clothing, shelter, education or medical care. Reportable Conduct Definitions As a relevant entity, our organisation must also report reportable conduct. Under <i>Tasmania's Child and Youth Safe Organisations Act 2023</i>, reportable conduct includes: • Sexual offences against a child • Sexual misconduct involving a child • Physical violence against a child • Behaviour that causes significant emotional or psychological harm to a child • Significant neglect of a child
